### Test ordered

Myopathy Panel (P2, P3, P4, Px, P8, and K1) @ \$299

For horse owners in the United States only.

Bulk discount: 10 or more horses at \$239 each ([contact@EquiSeq.com](mailto:contact@EquiSeq.com) to order)

**To take a hair sample:** Make sure that horse is dry. Wrap 30-40 mane or tail hairs around a comb, a pen, or your finger. Tail hairs are better for younger horses (one year of age or younger). Pull sharply to collect 30-40 mane or tail hairs with roots (hair bulbs) attached. Place hairs into a plastic zip-lock bag. Label the bag with the horse's name as indicated on this form. Send hair sample with this form to the address below.

By submitting this form with your sample you agree to EquiSeq's Terms and Conditions as specified on our website ([www.EquiSeq.com](http://www.EquiSeq.com)). EquiSeq retains full ownership of the sample and any data derived from it. EquiSeq's privacy policy is specified on our website.
